

DESOTO COUNTY BOARD OF SUPERVISORS
BOARD MEETING MINUTES
ALLEN LATIMER, PRESIDENT 2008 PRESIDING

July 9, 2008

A. CALL TO ORDER

The July 9, 2008, meeting of the DeSoto County Board of Supervisors was called to order by Supervisor Allen Latimer, Board President.

Sheriff Bill Rasco of the DeSoto County Sheriff's Department was present and did open the DeSoto County Board of Supervisors meeting in a regular session to hear any and all business to come before the Board. The following were present:

Supervisor Jessie Medlin-----District 1
Supervisor Eugene C. Thach-----District 2
Supervisor Bill Russell-----District 3
Supervisor Allen Latimer-----District 4
Supervisor Tommy Lewis-----District 5
W. E. Sluggo Davis-----Chancery Clerk
Michael Garriga-----County Administrator
Tony Nowak -----Board Attorney
Sheriff Bill Rasco-----Sheriff

B. INVOCATION

County Administrator Michael Garriga presented the invocation.

C. PLEDGE OF ALLEGIANCE

D. PUBLIC MEETING – RELOCATION OF AVIATION FACILITY

Supervisor Bill Russell made the motion and Supervisor Tommy Lewis seconded the motion to open the Public Hearing for the relocation for the Aviation Unit as noticed to the citizens through the distribution of cards to the neighbors. The motion passed by a unanimous vote.

County Administrator Michael Garriga explained that the county has talked about relocating the Aviation Unit because of plans to construct a Health Department at the location where the Aviation Unit is currently located. He said that Sheriff Rasco found a parcel of land located off of Byhalia and Laughter Roads to relocate the Aviation Unit on a temporary basis until a permanent facility can be constructed with construction of the new jail. Mr. Garriga said that Supervisor Tommy Lewis thought it would be good to have public input from the neighbors in the potential relocated area.

Supervisor Allen Latimer said anyone wishing to speak for the relocation of the Aviation Unit to come forward. Sheriff Bill Rasco said the Sheriff's Department came across some land previously owned by Mr. Butch Ables and currently owned by Brian Hill who offered the site to the county for lease. He said the Sheriff's Department will not fly over any houses in the subdivision adjacent to the property. Sheriff Rasco said the Sheriff's Department will fly from the west and north. He said the Sheriff's Department would make sure that they would not pass over any of the current houses. He said the time the Sheriff's Department flies depends on when

they receive a call for help. He said the helicopter would go out an average of one to two times per day, but some of those calls may be late at night.

Supervisor Eugene Thach asked if this move will be temporary. Sheriff Rasco said yes, but we do not have a time limit that we can commit to for the move. He said it could be six months or two years.

Mr. Garriga said he thinks the county will be realistically looking at two to three years for the location of the Aviation Unit to this area. He said, once the county has a site selection for the jail, we may be able to tie in the Aviation Unit with the construction of the new facility.

Supervisor Bill Russell asked the terms of the lease. Sheriff Rasco said the lease requires \$1,000 per month, but the first three months are free. He said the county will need to widen some doors at the facility and increase the size of the pad.

Mr. Garriga said he appreciates the Sheriff's willingness to look at a location for the move. He said he knows the move is not easy for the Sheriff's Department, but their willingness to work on the relocation was appreciated.

Sheriff Rasco said we are very lucky to have the Aviation Unit in the county. He mentioned recently when the Unit assisted the City of Horn Lake.

Supervisor Russell asked if the cities reimburse the county for the use of the Aviation Unit. Sheriff Rasco said no. The county pays the entire amount.

Supervisor Latimer asked all those opposed to the relocation of the Aviation Unit to come forward.

Bob Johnson, 4841 Byhalia Road, said he is concerned about noise, hazmat, whether the county has a crash plan and the training that is done with the aviation pilot. Sheriff Rasco said we do have training flights, but all of our participants are trained pilots. He said they are required to have a certain number of hours and on the job hours can be the hours they log. He said all of the pilots are current in their training hours at this time. Mr. Johnson asked about emergency units on Laughter Road. Sheriff Rasco said we have one county vehicle for aviation and the rest of the vehicles associated with the aviation facility will be private vehicles. He said the county will have use of the building and two acres.

James McLear, 196 Laughter Road, addressed the Board of Supervisors. He said his main concern is the helicopters flying over his house. He said they are noisy and they have flown more frequently than one to two times per day. He said the neighbors are concerned about the noise and he would appreciate the county looking for an alternate place for the Aviation Unit.

Cathy Anderson addressed the Board of Supervisors and said she wants to know when the county will be out of that location. She said it seems like the decision has already been made to relocate the Aviation Unit. Supervisor Latimer said we are concerned about the people's opinion and that is why they sent the cards out noticing the meeting. Ms. Anderson said this will depreciate their land and they want to know when the Aviation Unit will be out of the lease. Sheriff Rasco said he cannot give Ms. Anderson a specific date. Supervisor Latimer said there is no way to give a final date that the Aviation Unit would be out. He said the jail is a top priority for the county and it is anticipated the Aviation Unit will be built at the new jail facility. Ms. Anderson said it looks like once the Unit gets there they could move other operations including the jail to the property. Supervisor Russell said he does not think the request from Ms. Anderson is unreasonable. He said the Board is putting a committee together to select a jail site. Until that committee evaluates the sites available for the jail, the Board cannot give a timeframe to the property owners.

Lem Couch addressed the Board of Supervisors and said he lives south of the property in question. He asked if the county has a lease prepared to sign and what the time limit is on the lease. Sheriff Rasco said the time limit on the current lease is one year with options to renew. Mr. Couch said a few years ago the county did not have helicopters and now we have two. He asked what would prevent the county from having more in the future. Sheriff Rasco said as long as he is Sheriff, there will only be two helicopters.

Joe Williams, 570 Laughter Road, addressed the Board of Supervisors and said not long ago, the Board approved a private airstrip across the road from his property. He said he does not know the owners, but they are building a hangar on their property. He said he wondered if the Sheriff's operation could be done in one place rather than all around his property. He said the intrusion may affect him but would affect less property owners. Supervisor Thach said he thinks we should look into that possibility. Supervisor Russell agreed.

Supervisor Tommy Lewis suggested holding this item over until July 21st.

Cathy Johnson asked if the county could relocate the Aviation Unit at the Hernando Airport. Sheriff Rasco said it is for fixed wings only and helicopters are not allowed.

Supervisor Lewis said it is a private facility and does not allow helicopters.

Ms. Johnson asked about the Olive Branch Airport. Sheriff Rasco said we are trying to get as close to the Sheriff's Department as possible. Ms. Johnson asked about Eagle's Nest. Sheriff Rasco asked where that is located. Ms. Johnson said it is near the end of Malone Road. She asked what other sites the Board is considering for the Unit. Mr. Garriga said he thinks the Eagle's Nest is the property that was suggested earlier by Mr. Williams. He said they may have had a conditional use put on their airstrip, when their approval was granted. Mr. Williams said the stipulations were that the Parmerleys had to own the aircraft that were flown and there is no flying at night.

Supervisor Tommy Lewis made the motion and Supervisor Eugene Thach seconded the motion to hold this item over until July 21st at 9:00 a.m. to allow the Sheriff to investigate other sites in the county for the relocation of the Aviation Unit. The motion passed by a unanimous vote.

E. PLANNING COMMISSION

**DeSoto County Board of Supervisors
Planning Agenda
July 9, 2008**

Mr. Jim McDougal, Director of the DeSoto County Planning Commission, presented the Stormwater Report, Code Enforcement Report and Building Permits Report.

PUBLIC HEARINGS

Residential Development Agreement – The DeSoto County Board of Supervisors will consider the adoption of a Residential Development Agreement for final subdivisions.

Supervisor Lewis excused himself from the discussion of this item.

Supervisor Russell made a Motion to open the public hearing. Supervisor Medlin seconded the Motion.

THE FOLLOWING ACTION WAS TAKEN ON THIS MATTER:

- FIRST DISTRICT SUPERVISOR, JESSIE MEDLIN YES
- SECOND DISTRICT SUPERVISOR, EUGENE THACH YES
- THIRD DISTRICT SUPERVISOR, BILL RUSSELL YES
- FOURTH DISTRICT SUPERVISOR, ALLEN LATIMER YES
- FIFTH DISTRICT SUPERVISOR, TOMMY LEWIS ABSENT

Mr. Jim McDougal presented an outline of the Residential Development Agreement.

Supervisor Russell stated that the use of the word "may" in #4 of Mr. McDougal's outline memo made the posting of a security at the final subdivision phase sound voluntary. Mr. McDougal clarified that the memo should read "shall" not "may" as a security or bond will be required by the County.

Supervisor Medlin stated that in #6 of the outline memo it mentions that the Residential Development Agreement would set a time frame for starting the development of the subdivision, and there is no time frame to start in the current regulations. He stated he doesn't want to see a developer going out and clearing land just to keep within the time frame as a result of the Residential Development Agreement. Mr. McDougal responded the developer has the option to request an extension of the preliminary subdivision approval as part of the agreement language and no reasonable request for extension would be denied.

Mr. McDougal stated residential subdivisions that have received preliminary approval within the last two years but have not received final approval, will need to sign the Residential Development Agreement and pay the associated fees. Supervisor Medlin asked if even developments that received preliminary approval eight years ago, but have not received final approval would be required to sign the agreement and pay the fees. Mr. McDougal responded yes, they would need to sign the agreement and pay the required fees for any phases or sections of the subdivision that have not received final approval within two years after preliminary approval.

Supervisor Medlin asked what the cost difference is in starting a subdivision under the Residential Development Agreement as compared to the current fees. Mr. Tony Nowak, Board Attorney, advised under the Residential Development Agreement the fee would average between \$2000 and \$5000 depending on the number of lots in the subdivision.

Sean Green of the North Mississippi Home Builders Association stated he appreciates being allowed to participate in the public process to draft and review the Residential Development Agreement. He then stated some builders are not going to like the agreement, but they are the ones the agreement is written for. Mr. Green went on to state this contract shows how much the Board of Supervisors care about Desoto County and its future. Mr. Green then stated the Home Builders Association fully supports the adoption of the Residential Development Agreement.

Greg Ryan stated he was impressed with how involved the process of drafting this document was and how many different groups were involved in that process. He went on to state this is a well considered document.

Mr. Jim McDougal then presented an outline sheet to highlight the requirements of the Erosion Control Agreement. He stated that this agreement can be used by the County as part of the Residential Development Agreement or as a stand alone document. He explained that the agreement spells out the requirements of the County's Stormwater Ordinance and will assist County staff as well as developers to comply with requirements to control erosion issues on subdivision sites.

Supervisor Medlin asked, in regards to #8 of Mr. McDougal's outline the Erosion Control Agreement, if a developer has 40 lots and someone buys 10 of those lots, will the buyer then be responsible for the cost of erosion control measures. Mr. McDougal responded yes, they would be responsible for the cost. Supervisor Russell clarified the buyer would be responsible for the cost only if he agreed to be as part of this Erosion Control Agreement.

Supervisor Russell stated the most important part of the document is the posting of the bonds to protect the County and the taxpayers.

Supervisor Russell made a Motion to close the public hearing. Supervisor Thach seconded the Motion.

THE FOLLOWING ACTION WAS TAKEN ON THIS MATTER:

- FIRST DISTRICT SUPERVISOR, JESSIE MEDLIN YES
- SECOND DISTRICT SUPERVISOR, EUGENE THACH YES
- THIRD DISTRICT SUPERVISOR, BILL RUSSELL YES
- FOURTH DISTRICT SUPERVISOR, ALLEN LATIMER YES
- FIFTH DISTRICT SUPERVISOR, TOMMY LEWIS ABSENT

Supervisor Russell made a Motion to Adopt the Residential Development Agreement and the Erosion Control Agreement. Supervisor Latimer seconded the Motion.

THE FOLLOWING ACTION WAS TAKEN ON THIS MATTER:

- FIRST DISTRICT SUPERVISOR, JESSIE MEDLIN NO
- SECOND DISTRICT SUPERVISOR, EUGENE THACH YES
- THIRD DISTRICT SUPERVISOR, BILL RUSSELL YES
- FOURTH DISTRICT SUPERVISOR, ALLEN LATIMER YES
- FIFTH DISTRICT SUPERVISOR, TOMMY LEWIS ABSENT

Mr. Nowak advised public notice of the adopted Residential Development Agreement and the Erosion Control Agreement would be posted and become effective on August 5, 2008.

Subdivision Ordinance Amendments – The DeSoto County Board of Supervisors will consider amending Article II, Paragraph 17, and Article IV Sections E(2) and E(7) of the DeSoto County Subdivision Ordinance regarding the Residential Development Agreement for final subdivisions and Board of Supervisors review of Preliminary Subdivision applications.

Supervisor Medlin made a Motion to open a public hearing. Supervisor Russell seconded the Motion.

THE FOLLOWING ACTION WAS TAKEN ON THIS MATTER:

- FIRST DISTRICT SUPERVISOR, JESSIE MEDLIN YES
- SECOND DISTRICT SUPERVISOR, EUGENE THACH YES
- THIRD DISTRICT SUPERVISOR, BILL RUSSELL YES
- FOURTH DISTRICT SUPERVISOR, ALLEN LATIMER YES
- FIFTH DISTRICT SUPERVISOR, TOMMY LEWIS ABSENT

Mr. Jim McDougal presented the proposed Subdivision Ordinance amendments to the Board of Supervisors.

Mr. McDougal asked the Board if they would like to view all of the Preliminary Subdivision applications following the Planning Commission review and recommendation for approval. Mr. McDougal stated that right now is a slow time for the Planning Commission and they are only seeing on average 1-2 preliminary subdivision applications a month, but during busier times there can be an average of 5-8 applications per month. Supervisor Russell asked why the Board would not want to review all the preliminary applications. Mr. McDougal responded it may become an issue of efficiency of the Boards time when there is a Planning Commission appointed to review these applications. Supervisor Russell stated it would not be possible to arbitrarily pick which applications the Board of Supervisors would review, at the same time the Board would not want to review applications denied by the Planning Commission. Mr. McDougal advised he has the authority to bring any preliminary subdivision application before the Board he deems would benefit from their review. Supervisor Russell stated that all applications should be brought to the Board, and if later the Board decides there are some applications they do not need to review, they can change the process and the Ordinance as deemed appropriate.

Supervisor Medlin stated the Board currently reviews the rezoning applications, but not the preliminary subdivision applications, and that in review of the preliminary applications by the Board per the proposal Ordinance amendment of the County may be able to catch some things earlier in the approval process that need to be addressed before the final approval occurs.

Supervisor Russell made a Motion to Amend the DeSoto County Subdivision Ordinance. Supervisor Medlin seconded the Motion.

THE FOLLOWING ACTION WAS TAKEN ON THIS MATTER:

FIRST DISTRICT SUPERVISOR, JESSIE MEDLIN YES
SECOND DISTRICT SUPERVISOR, EUGENE THACH YES
THIRD DISTRICT SUPERVISOR, BILL RUSSELL YES
FOURTH DISTRICT SUPERVISOR, ALLEN LATIMER YES
FIFTH DISTRICT SUPERVISOR, TOMMY LEWIS ABSENT

REZONING

Alvan Kelly/Covenant Logistics, LLC Rezoning (705) - Application is to rezone 8.3 acres from Agricultural (A) to Agricultural-Residential (A-R). Subject property is located on the east side of Jaybird Road and south of Bright Road, in Section 9, Township 3, Range 7. (District 5)

Mr. McDougal presented the applications to the Board, stating the Planning Commission recommended the application with the stipulation that construction of the subdivision shall begin within 3 years.

Mr. McDougal introduced Mr. Joe Frank Lauderdale as being present to represent the application.

Mr. Lauderdale identified the location of the property the applicant is proposing to rezone. He then stated there is a significant change in the neighborhood due the substantial growth of subdivisions along Jaybird Road. He also noted there is a current project to construct a new sewer line that will align with Jaybird Road. He explained that the applicant is requesting the rezoning so he can create a residential subdivision on the lot in the future.

Supervisor Latimer asked if the applicant has determined who will provide water service for the area. Mr. Lauderdale responded Brights Water Association will provide water for this property. He also stated Tri-Firma is installing the Hernando/Southaven line for DeSoto County Regional Utility Authority that will provide sewer service for these lots.

Supervisor Lewis made a Motion to uphold the Planning Commission's recommendation to approve the application, there being an adequate showing of change in the character of the neighborhood and a demonstration of public need, with following stipulations:

1. Construction of the subdivision shall begin within 3 years.

Supervisor Medlin seconded the Motion.

THE FOLLOWING ACTION WAS TAKEN ON THIS MATTER:

FIRST DISTRICT SUPERVISOR, JESSIE MEDLIN YES
SECOND DISTRICT SUPERVISOR, EUGENE THACH YES
THIRD DISTRICT SUPERVISOR, BILL RUSSELL YES
FOURTH DISTRICT SUPERVISOR, ALLEN LATIMER YES
FIFTH DISTRICT SUPERVISOR, TOMMY LEWIS YES

MINOR LOTS

District 4

Bailey's Ridge Minor Lot (6728) - Application is for final subdivision approval of one (1) lot of 8.4 acres, one (1) lot of 3.2 acres, one (1) lot of 2.2 acres, one (1) lot of 1.5 acres and one (1) lot of 2.8 acres out of 19 acres. Subject property is located on the east side of Bluff Road and south of Highway 304 in Section 17, Township 3, Range 9 and is zoned Agricultural (A). (District 4) *MUST BE PLATTED AND RECORDED*****

John Person Minor Lot (6729) - Application is for final subdivision approval of one (1) lot of 2.5 acres, one (1) lot of 2.2 acres, and one (1) lot of 10.8 acres out of 16 acres. Subject property is located on the east side of Horn

Lake Road and north of Highway 304 in Section 4, Township 3, Range 8 and is zoned Agricultural (A). (District 4)

Mr. McDougal presented the applications above and stated the applications appear to be in compliance with the County's Zoning and Subdivision Ordinances.

Supervisor Latimer made a Motion to approve the applications subject to staff recommendations and Health Department approval. Supervisor Medlin seconded the Motion.

THE FOLLOWING ACTION WAS TAKEN ON THIS MATTER:

FIRST DISTRICT SUPERVISOR, JESSIE MEDLIN YES
SECOND DISTRICT SUPERVISOR, EUGENE THACH YES
THIRD DISTRICT SUPERVISOR, BILL RUSSELL YES
FOURTH DISTRICT SUPERVISOR, ALLEN LATIMER YES

Other Items:

1. Request to waive permit fee by Webb Electric

Mr. Jim McDougal, Director of the DeSoto County Planning Commission, made a presentation to the Board regarding the above request to waive the \$100 fee for an electrical permit as the required electrical work must occur to repair damage caused by a lightning strike at the property. Mr. McDougal stated that he recommended waiver of the fee in full.

Supervisor Russell made a Motion to approve a \$100 refund to Webb Electric per the above request. Supervisor Medlin seconded the Motion.

2. Board of Supervisors Education-Assistance for Hernando Elementary School

Road Manager Russell Dorris said that Robert Earl Phillips asked him to help them with improvements with a ditch at Hernando Elementary School. He said approximately 10 trees need to be removed from a ditch. He explained the process and the equipment that it would involve to clear the ditch. Mr. Dorris said the project would probably take 5 to 10 days and the cost of the repair and equipment use would be substantial. Mr. Dorris said that the county is already working overtime to accomplish their current work load.

Supervisor Bill Russell asked why the trees are in the ditch. Mr. Dorris said that he did not know if they are experiencing problems from the ditch, but there is no doubt the water would flow better if the trees were removed.

Supervisor Eugene Thach said if we do it for one, we will need to do it for all of the schools.

At the recommendation of the Road Manager, Supervisor Bill Russell made the motion and Supervisor Eugene Thach seconded the motion to deny the request for the county to do work at the Hernando Elementary School

3. DeSoto Council Allocation for Greenway Projects

County Administrator Michael Garriga explained the creation of the Greenway concept in DeSoto County. He said since the creation, many efforts have been made to produce a Greenway program. He said that recently a Greenway Symposium was held in DeSoto County and it informed participants that most success on Greenway projects has been handled through the development of a land trust and it appears a land trust is the way to go. Mr. Garriga explained that the county had previously budgeted \$150,000 toward the Greenway project in the FY 08 budget. He said that the DeSoto Economic Council could be the appropriate place to fund the Greenway program. Mr. Garriga said they have talked to an individual about leading the greenway program and this person appears to be qualified and experienced in Greenways.

Board Attorney Tony Nowak said Advertising County Resources could be used for the purpose of funding Greenways.

Mr. Garriga said there are many options for handling the Greenway project. He said DeSoto Economic Council has done a lot of leg work on the Greenway project and appear to be a natural fit for the development of the Greenway. He said there are a lot of limitations to what the government can do to implement these programs.

Supervisor Bill Russell said that before the Symposium, he was opposed to moving the program to the Economic Council, but after attending the Symposium, he better understands that is where the Greenway program needs to be.

Supervisor Jessie Medlin asked if they are suggesting going with the DeSoto Economic Council now and going toward the land trust in the future. Mr. Garriga said yes. He said that would require local and private legislation. Mr. Garriga said the land trust can provide other options other than the Greenway. For example, they could be used to mitigate wetlands for county road projects.

Supervisor Eugene Thach asked if the County Administrator is suggesting providing this funding for the Greenway project each year. Mr. Garriga said that we put \$150,000 into the budget this year for the development of a Greenway. In addition, funds are needed to acquire property during the development process. He said the \$150,000 would be wonderful seed money to plant the program.

Supervisor Russell said the cities need to participate in the project as well and he expects them to participate financially and otherwise. He said, until we get organized, that will not happen. He said we have a perfect opportunity now to jump start the program. He said we are losing time because land is becoming more limited everyday.

Supervisor Medlin asked if the land trust would have to go to the Legislature. Mr. Nowak said he is researching that issue but it appears that a local and private will be necessary.. Mr. Nowak said it is dependent on how it is set up and how the county participates in the program. It will take a lot of time to ensure that it is done in the best interest of the county.

Supervisor Bill Russell made the motion and Supervisor Tommy Lewis seconded the motion to authorize the Smith Phillips Mitchell Scott and Nowak Law Firm to assist in establishing the land trust, determining how the county can best participate in the land trust and, if necessary, drawing up the local and private legislation authorizing the county's participation in a land trust. The motion passed by a unanimous vote.

Supervisor Tommy Lewis made the motion and Supervisor Bill Russell seconded the motion to reallocate the \$150,000 from the FY 08 budget to the DeSoto Economic Council for the restrictive purpose of working toward the Greenway project and to review the allocation in the next budget for additional funding recommendations. The motion passed by a vote as follows:

Supervisor Jessie Medlin-----NO
Supervisor Eugene C. Thach-----NO
Supervisor Bill Russell-----YES
Supervisor Allen Latimer-----YES
Supervisor Tommy Lewis-----YES

Supervisor Medlin said we have two or three committees set up where they have lost control.

Supervisor Russell asked if this is a full time job for the Greenway development. Mr. Garriga said yes. He said the person they have talked to about the development of the Greenway has a lot of experience and will spend a lot of time in DeSoto County to get the program going.

H. NEW BUSINESS

1. Purchasing

a. E911 - Bid for Voice Logging Recorders for Dispatch Centers

Supervisor Jessie Medlin made the motion and Supervisor Bill Russell seconded the motion to approve going out to bid for voice logging recorders for dispatch center for E-911. The motion passed by a unanimous vote.

b. Bids Under Advisement - Vehicles for County Offices

Vanessa Lynchard presented a bid tabulation to the Board of Supervisors for vehicles. She explained the bid tabulation form as generally identifying the department who could use the vehicle, a description of the vehicle that was bid and a description of the bid tabulation with buy back prices from the two bidders who submitted bids. She said that also included, was the state contract vehicle comparison which showed the vehicle generally meeting the specs on five of the trucks that could be purchased through the state contract. Vanessa also presented a copy of Kelly Blue Book and NADA values for both vehicles that were bid showing their value after one year. Also included was a fuel consumption analysis report using the tax assessor mileage for the past year and average fuel prices for the month of June. The fuel consumption analysis compared current mileage for the vehicles the county already owns at the June fuel prices compared to the items that were bid. The report also shows the guaranteed buy back from the 2007 bid for the trucks the county has now. Vanessa showed a list of vendors who had received a copy of bid specifications and indicated that Granada Nissan returned a bid the day after the bid due date and General Truck Sales submitted a response of no bid. Vanessa also presented an email from Terry Moore of Homer Skelton Ford about the benefits of using a local supplier. She said that both of the bidders who participated in this bid have been excellent to work with. County Administrator Michael Garriga said the county needs to purchase compact cars for the Tax Assessor's office. He said the savings on gas alone makes going with compact cars a sensible choice. He said the county has postponed getting vehicles for the Planning Commission. He said public perception is an

issue in purchasing any vehicles. He said he does not think the compact cars will be adequate for the Planning Commission. Mr. Garriga said he considered passing the Tax Assessor's vehicles to the Planning Commission Department. He said he thinks it would be best for the Planning Commission to have smaller trucks.

Supervisor Bill Russell asked if there is a need for four wheel drive in the Planning Commission. Mr. Garriga said not for the Building Inspectors.

Supervisor Tommy Lewis suggested going with the smaller trucks in the Planning Commission.

Supervisor Russell said he does not see why small cars would not work the Planning Commission. Mr. Garriga said the Planning Commission is rough on vehicles. He does not know if the small cars will meet their needs for durability.

Supervisor Eugene Thach said he would lean more toward the small cars.

Supervisor Allen Latimer asked if the County Administrator plans to trade these vehicles every year. Mr. Garriga said we would have to evaluate the market from year to year.

Supervisor Lewis said we still may trade them each year. Mr. Garriga said the maintenance will be more on smaller vehicles than on larger vehicles. He said this data is important in making the decision. He said there are a lot of considerations when purchasing the vehicles.

Supervisor Russell asked how many vehicles the Planning Commission is using. Supervisor Latimer and Mr. Garriga said they require five vehicles.

Supervisor Eugene Thach made the motion to purchase small vehicles for the Planning Commission and Tax Assessor's office. The motion failed for lack of a second.

Supervisor Russell said the only reason we bought trucks before is because we were making money or breaking even on their purchase. He said he agrees we need to buy small cars this year and sell them or keep them after we have them for one year. He said if we can make money by selling them after keeping them for one year, then we should sell them. If we cannot make money then we should keep the vehicles. He said the Planning Commission needs jeeps. He said a county in Colorado has been very successful in providing jeeps for their Planning Commission.

Vanessa said it may be hard to purchase jeeps because they are not on state contract and you cannot specify any one vendor in a bid. She said jeeps can be purchased if they are the lowest and best bidder.

Mr. Garriga said he talked to Jim McDougal about the needs for vehicles in the Planning Commission. Mr. Garriga said his recommendation is to buy small cars for the Tax Assessor's office because the Planning Commission has different needs.

Supervisor Eugene Thach made the motion and Supervisor Bill Russell seconded the motion to purchase small cars for the Tax Assessor's office and the Planning Commission. After further discussion of the issue, Supervisor Thach withdrew his motion and Supervisor Russell withdrew his second.

Planning Director Jim McDougal said his inspectors are going to subdivisions that may have the first lift of asphalt. He said that many times they go into different settings on private property where no pavement is available and they must drive on muddy roads. He said that he is concerned that two thirds of the inspections are traditional subdivision inspections and one third is on privately owned lots without established roads. He said he does not think a compact car will be durable enough to last a long length of time. Mr. McDougal said he thinks a truck is more compatible with the terrain. He said on stormwater matters we are dealing with undeveloped subdivisions. He said in some cases, a two wheel drive truck would not be adequate and a four wheel drive truck would be needed.

Supervisor Bill Russell made the motion to buy compact Chevrolet cars for the Tax Assessor's office and small Chevrolet trucks in four wheel drive for the Planning Commission. There was no second to the motion.

After further discussing needs and the Board's commitment to operate as efficiently as possible, Supervisor Bill Russell made the motion and Supervisor Eugene Thach seconded the motion to buy compact cars for the Tax Assessor vehicles and small trucks with four wheel drive for the Planning Commission. The motion failed by a vote as follows:

Supervisor Jessie Medlin-----NO
Supervisor Eugene C. Thach-----YES
Supervisor Bill Russell-----YES
Supervisor Allen Latimer-----NO
Supervisor Tommy Lewis-----NO

Supervisor Tommy Lewis made the motion to buy Chevrolet compact cars for the Tax Assessor's office and the Planning Commission. The motion failed for lack of a second.

Vanessa explained that the Animal Control Director has requested purchasing vehicle number seven on state contract as an alternative to the trucks that were bid. She said that he has requested the options listed including the options listed to make the compatible with the bid specifications and to also add the XLT package and the limited slip axle.

Supervisor Bill Russell made the motion and Supervisor Jessie Medlin seconded the motion to authorize the Animal Control Director to purchase vehicle number seven off of state contract as listed on the bid to comply with the bid specifications totally \$17,588 plus the limited slip axle at \$249. The motion passed by a unanimous vote.

Road Manager Russell Dorris said they need three vehicles and they recommend vehicle number two which is four wheel drive, crew cab three quarter ton vehicles and they recommend the Chevrolet based on it meeting the specification and the resale as proven in previous auctions of the vehicles that are one year old.

Supervisor Bill Russell made the motion and Supervisor Allen Latimer seconded the motion to approve the purchase three, three quarter ton crew cab vehicles from Chevrolet in connection with bid file number 08-156-016 in the amount of \$30,259.09 each. The motion passed by a unanimous vote.

Supervisor Russell asked if the Board is committing to sell the vehicles in the Tax Assessor's office or keeping them another year. He said by not approving a motion to purchase additional vehicles for the Tax Assessor, the Board is in essence, making a decision to drive the current vehicles.

Supervisor Lewis said he thinks if the county is going to make an effort to save gas, we should purchase vehicles that will save gas.

After further discussing the issue, Supervisor Bill Russell made the motion to reconsider the motion to purchase Chevrolet compact cars for the Tax Assessor's office and the Planning Commission. Supervisor Jessie Medlin seconded the motion. The motion passed by a unanimous vote.

Supervisor Bill Russell made the motion and Supervisor Eugene Thach seconded the motion to buy eleven compact Chevrolet cars for the Tax Assessor's office and Planning Commission in accordance with the response to bid file number 08-156-002. The motion passed by a vote as follows:

Supervisor Jessie Medlin-----NO
Supervisor Eugene C. Thach-----YES

3. Hernando Garden Club – Blue Star Memorial Marker

Pat Young President of the Hernando Garden Club and other members of the Garden Club and Library addressed the Board of Supervisors regarding adding a Blue Star Memorial marker to the Library grounds in Hernando. Ms. Young asked for permission to put a Blue Star Memorial on the grounds of the Library which is owned by the county. She said it looks very much like the marker on the front of the courthouse. She said they determined that the best spot for the marker is on the south side of the Library so it will be seen by all of the passers by. She said there will be a nice dedication ceremony for the marker. She said the National Garden Club sponsors this program.

Supervisor Bill Russell asked if the group has spoken with the City of Hernando about placement of the marker. Ms. Young said they have not and did not know they needed to. Supervisor Russell said it may be good idea since the marker will be located in the city.

Supervisor Tommy Lewis said, at the request of the Garden Club, he would like to also approve that the Building and Grounds Department help install the marker.

Supervisor Eugene Thach made the motion and Supervisor Bill Russell seconded the motion to allow the Hernando Garden Club to place a Blue Star Memorial marker at the Library property in Hernando and to authorize Buildings & Grounds to install the marker. The motion passed by a unanimous vote.

4. Jail Site Selection Committee

County Administrator Michael Garriga said it has been discussed to add one appointee per District to the Jail Site Selection Committee and two from the Economic Council and one at-large appointee.

Supervisor Tommy Lewis made the motion and Supervisor Jessie Medlin seconded the motion to appoint Harvey Ferguson as the District 5 appointee to the Jail Site Selection Committee. The motion passed by a unanimous vote.

Supervisor Bill Russell made the motion and Supervisor Jessie Medlin seconded the motion to appoint Kinsey Wilhite as the District 3 Jail Site Selection Committee. The motion passed by a unanimous vote.

I. EXECUTIVE SESSION
